

Dear YS Ho,

It's time to celebrate!

Since 2000, you have had 4 citations to your article,
SORPTION OF LEAD IONS FROM AQUEOUS SOLUTION
USING TREE FERN AS A SORBENT

This means that the number of citations your article received places it in the top 1% within its field according to *Essential Science Indicators*SM. Your work is highly influential, and is making a significant impact among your colleagues in your field of study.

Keep track of your article's influence:
set up a citation alert in *Web of Science*®.

If your institution subscribes, simply go to
<http://isiknowledge.com>, and click
"Create Citation Alert" on your article's full record.

If you do not have access to *Web of Science*, the most
in-depth and respected source of citation information and
searching available, ask your librarian to set up a free trial.

Congratulations on your extraordinary
career accomplishment!
